## **3. Public Accounts Select Committee views**

- 3.1 On 25 September 2018, the Public Accounts Select Committee reviewed a report on the Children's Social Care Budget.
- 3.2 The Committee would like to make the following comments to Mayor and Cabinet:
- 3.3 The Committee notes the report and recognises the severity of the budget issues raised.
- 3.4 The Council must learn lessons from the problems and issues raised.

In particular, the Committee:

- (a) recommends that improved, more accurate and more detailed financial information is produced in relation to this budget and properly utilised by the relevant officers; and that regular monitoring reports are received by the Public Account Select Committee on this budget; It also expects that action is taken to reduce cost pressures, such as transport;
- (b) notes that "best practice costs less", with particular regard to management and staffing, and looks forward to changes being made to current practice that will lead to this result;

and

- (c) notes and welcomes the fact that a recommendation to increase the base budget for this service, so it is more realistic, will be considered by Mayor and

Cabinet on 10 October 2018; however, any future increase to the base must be considered within the context of the Council's overall priorities and financial strategy and follow further monitoring to ensure the necessary efficiencies have meanwhile taken place.

- 3.5 In relation to (a) and (b) above, the Committee acknowledges the need for, and welcomes the prospect of, a new and comprehensive improvement strategy; notes the outline improvement plan appended to the report presented to the Committee; notes that a more detailed plan has been produced that is currently in draft form; and welcomes the prospect of a better financial framework – including the accounting for costs in other related services to Children's Social Care – to support the plan, as referred to in (c) above.

#### **4. Financial implications**

- 4.1 Whilst there are no financial implications arising out of this report per se; there are significant financial implications relating to carrying out the actions proposed by the committee.
