

Overview & Scrutiny Committee		
Report Title	Mayoral response to referral from Overview and Scrutiny Committee – Sustainability and Transformation Plans in London	
Key Decision	No	Item No 3
Ward	All	
Contributors	Executive Director for Resources & Regeneration (Head of Business & Committee)	
Class	Part 1	Date: 30 October 2018

1. Summary

This report informs members of the response given at Mayor and Cabinet to a referral in respect of a report which the Committee considered in January 2018.

2. Purpose of the Report

To report to members the response given at Mayor and Cabinet to recommendations made by the Committee regarding Sustainability and Transformation Plans in London.

3. Recommendation

The Committee is recommended to receive the Cabinet response to the Committee's comments on Sustainability and Transformation Plans in London.

4. Background

- 4.1 The Mayor and Cabinet considered the attached report entitled "Response To Overview and Scrutiny Committee – Sustainability and Transformation Plans in London" at the Mayor & Cabinet meeting held on 10 October 2018.

5. Cabinet Response

- 5.1 The Mayor and Cabinet received an officer report and a presentation from the Deputy Mayor, Councillor Chris Best.

- 5.2 The Mayor and Cabinet unanimously resolved that the recommendations shown below be approved:

(1) the officer response to the referral by the Overview and Scrutiny Committee be approved and be forwarded to the Committee;

(2) the integration and transformation activity taking place date within

Lewisham which will inform any future developments towards an integrated care system be noted; and

(3) any proposals to integrate local health and care arrangements more formally will require the prior approval of each sovereign body and any options should include the benefits and risks of any proposed arrangements
