COUNCIL			
Report Title	Motion 3 in the name of Councillor James-J Walsh to be seconded by Councillor Amanda De Ryk		
Key Decision			Item No.

Contributors	Chief Executive (Head of Business & Committee)		
Class	Part 1	Date: October 3 2018	

This council notes

Though slavery was abolished in the UK in 1833, there are more slaves today than ever before in human history. Figures from the International Labour Organisation (ILO) suggest that there are more than 40 million people in modern slavery across the world, with nearly 25 million held in forced labour.

There were 3805 victims of modern slavery identified in the UK in 2016. A rising number but still well below the 10,000 and 13,000 potential victims estimated by the Home Office.

Modern Slavery is happening nationwide. Traffickers and slave masters use whatever means they have at their disposal to coerce, deceive and force individuals into a life of abuse, servitude and inhumane treatment. This can include sexual and criminal exploitation.

This council believes

That action needs to be taken to raise awareness of modern slavery and the fact that it is happening all over the UK.

That the current support for victims is not sufficient and needs to go beyond the 45 days they are currently given by the government.

That councils have an important role to play in ensuring their contracts and supplies don't contribute to modern day slavery and exploitation.

This council resolves to ask the Mayor & Cabinet

To consider adopting the Co-operative Party's Charter against Modern Slavery to ensure our procurement practices don't support slavery.

The Charter

London Borough of Lewisham Council will:

1. Train its corporate procurement team to understand modern slavery through the Chartered Institute of Procurement and Supply's (CIPS) online course on Ethical Procurement and Supply.
2. Require its contractors to comply fully with the Modern Slavery Act 2015, wherever it applies, with contract termination as a potential sanction for non-compliance.
3. Challenge any abnormally low-cost tenders to ensure they do not rely upon the potential contractor practising modern slavery.
4. Highlight to its suppliers that contracted workers are free to join a trade union and are not to be treated unfairly for belonging to one.
5. Publicise its whistle-blowing system for staff to blow the whistle on any suspected examples of modern slavery.
6. Require its tendered contractors to adopt a whistle-blowing policy which enables their staff to blow the whistle on any suspected examples of modern slavery.
7. Review its contractual spending regularly to identify any potential issues with modern slavery.

8. Highlight for its suppliers any risks identified concerning modern slavery and refer them to the relevant agencies to be addressed.

9. Refer for investigation via the National Crime Agency's national referral mechanism any of its contractors identified as a cause for concern regarding modern slavery.

10. Report publicly on the implementation of this policy annually
