383. Council Budget 2019-2020

The Mayor reported that he and other Cabinet Members had attended the Public Accounts Select Committee to discuss the Budget. He stated that the Budget which was being presented was very different from the one he wished to present. Government austerity had dictated that £30M of cuts were required over two years and so far some £18M had been identified. In spite of the reduction of funds the Mayor pointed out solid positive achievements had been made in areas such as Refugees, Housing, Insourcing and the Lifelong Learning Partnership. He promised that the innovative use of budgets would continue and he thanked officers for their assistance in realising achievements in the most difficult of circumstances.

Councillor Amanda De Ryk confirmed the level of cuts that would be required in the next two years and she joined the Mayor in thanking officers for their efforts in constructing the Budget.

Having considered an officer report, and presentations by Mayor and the non-voting job share Cabinet Member for Finance, Skills and Jobs, Councillor

Amanda De Ryk, the Mayor and Cabinet, for the reasons set out in the report, by a vote of 8-0:

(21) to recognise that despite the increase in High Needs Funding, there continues to remain upward pressure on costs, arising from a combination of increase in pupils with specialist need, more complex need and associated costs;

(22) Council be asked to note that the Early Years Block position is provisional pending January 2019 and 2020 pupil counts; and to further note that within the supplementary funding for Nursery Schools (determined within the Early Years Block) will continue for 2019/20 the provisional allocation suggests a minor increase of £7k;

(23) Council be asked to note a small increase of £15k to the Central Services to Schools Block Component of the DSG;
