

Safer Stronger Communities Select Committee			
Title	Select Committee work programme		
Contributor	Scrutiny Manager	Item	10
Class	Part 1 (open)	16 July 2019	

1. Purpose

- 1.1 To advise members of the committee's work programme for the 2019/20 municipal year and to agree the agenda items for the next meeting.

2. Summary

- 2.1 The committee drew up a draft work programme at the beginning of the municipal year for submission to the Business Panel for consideration.
- 2.2 The Business Panel considered the proposed work programmes of each committee on 7 May 2019 and agreed a co-ordinated overview and scrutiny work programme.
- 2.3 The work programme can, however, be reviewed at each select committee meeting to take account of changing priorities.

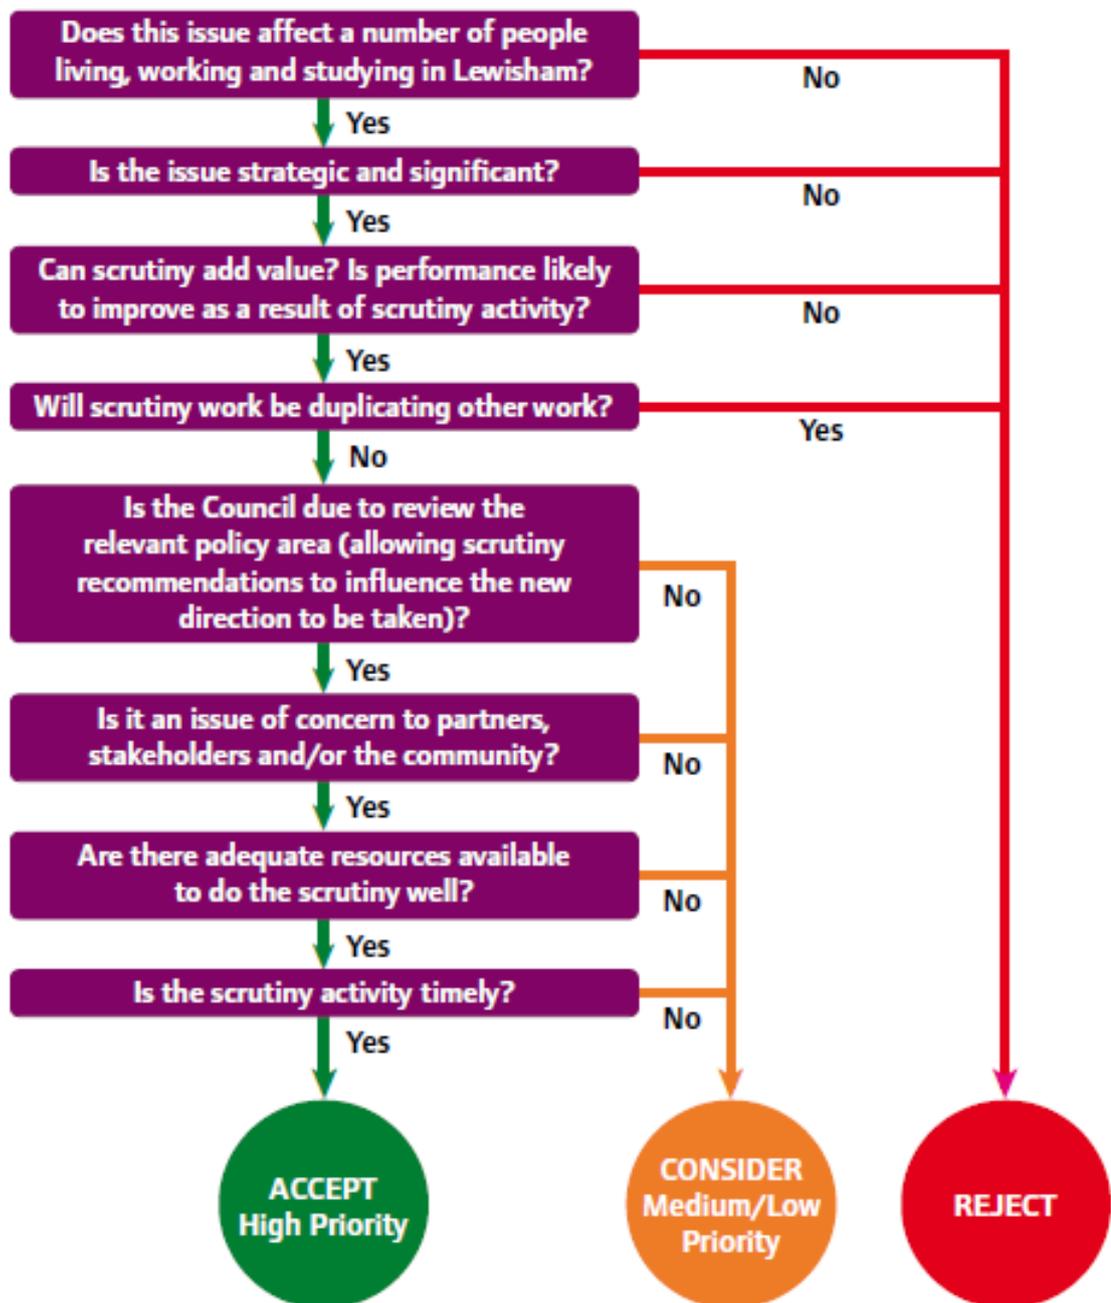

3. Recommendations

- 3.1 The Committee is asked to:
- consider the work programme attached at **Appendix B** – and discuss any issues arising from the programme
 - consider the items scheduled for the next meeting – and specify the information the committee requires to achieve its desired outcomes
 - review the forthcoming key decisions set out in **Appendix C** – and consider any items for further scrutiny

4. The work programme

- 4.1 The work programme for 2019/20 was agreed at the meeting on 30th April.
- 4.2 Members are asked to consider if any urgent issues have arisen that require scrutiny and if any items should be removed from the work programme.
- 4.3 Any additional items should be considered against the prioritisation process before being added to the work programme (see flow chart below).
- 4.4 The committee's work programme needs to be achievable in terms of the meeting time available. If the committee agrees to add additional items, members will also need to consider which lower-priority items should be removed to create sufficient capacity.

Scrutiny work programme – prioritisation process

- 4.5 Items within the committee's work programme should be linked to the priorities of the Council's Corporate Strategy.
- 4.6 The Council's Corporate Strategy for 2018-2022 was approved at full council in February 2019.

10.1 The Equality Act 2010 brought together all previous equality legislation in England, Scotland and Wales. The Act included a new public sector equality duty, replacing the separate duties relating to race, disability and gender equality. The duty came into force on 6 April 2011. It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

10.2 The Council must, in the exercise of its functions, have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act
- advance equality of opportunity between people who share a protected characteristic and those who do not.
- foster good relations between people who share a protected characteristic and those who do not.

10.3 There may be equalities implications arising from items on the work programme and all activities undertaken by the Select Committee will need to give due consideration to this.
