**Date:** 29 September 2020

**Key decision:** No

**Class:** Part 1

**Ward(s) affected:** All

**Contributors:** Assistant Chief Executive (Overview and Scrutiny Manager)

### **Outline and recommendations**

Business Panel is asked to review and approve the proposed contents of the work programmes of the Overview and Scrutiny Select Committees (attached at Appendix B) as discussed and agreed by members of those committees.

The work programmes of the following committees will be submitted separately as, at the time of agenda despatch, they have not yet met: Children and Young People; Healthier Communities; and Public Accounts Select Committees.

## Timeline of engagement and decision-making

The Select Committees discussed and agreed their draft work programmes at the following meetings:

- 9 September 2020 – Safer Stronger Communities Select Committee
- 15 September 2020 – Sustainable Development Select Committee
- 15 September 2020 – Housing Select Committee
- 21 September 2020 – Children and Young People Select Committee
- 23 September 2020 - Healthier Communities select Committee
- 24 September 2020 – Public Accounts Select Committee

Business Panel is being asked to review and approve the proposed contents of the work programmes at its meeting on 29 September 2020.

### 1. Summary

- 1.1. The Select Committees have each met and agreed a draft annual work programme. Business Panel is asked to consider and agree the proposed work programmes of each of the Select Committees.

### 2. Recommendations

- 2.1. Business Panel is asked to review and approve the proposed contents of the work programmes of the Overview and Scrutiny Select Committees (attached at Appendix B) as discussed and agreed by members of those committees.
- 2.2. An addition to Appendix B will be despatched on a supplementary agenda once the Children and Young People; Healthier Communities; and Public Accounts Select Committees have met.

### 3. Policy Context

- 3.1. The Council's Corporate Strategy 2018-22 sets out 7 corporate priorities that drive decision making in the Council. Lewisham's corporate priorities have been agreed by full Council and they are the principal mechanism through which the Council's performance is reported:
1. Open Lewisham
  2. Tackling the housing crisis
  3. Giving children and young people the best start in life
  4. Building an inclusive local economy
  5. Delivering and defending: Health, Social Care and Support
  6. Making Lewisham greener
  7. Building safer communities
- 1.5 The Select Committees devise annual work programmes which cover areas of business that fall within, and contribute towards achieving, all corporate priorities. The implementation of the attached work programmes will therefore have implications for all policy areas.
- 1.6 The Select Committees have tried to make sure that their work programmes reflect the diversity of Lewisham's communities and that the views of residents are fairly represented in scrutiny processes. Any recommendations arising from scrutiny work carried out this year, will support the Council's corporate strategy and reflect the needs of local residents.

## 4. Background

- 4.1 In accordance with the Overview and Scrutiny procedure rules outlined in Part IV E of the Council's Constitution, the Overview and Scrutiny Business Panel is required to:

*Consider the proposed work programmes of each of the Select Committees and devise a co-ordinated overview and scrutiny work programme which avoids duplication of effort and facilitates the effective conduct of business.*

- 4.2 The Business Panel may amend the work programme of any of the Select Committees to secure the most effective use of committee time and Council resources and to prevent overlaps. However, the Business Panel will not normally amend work programme unless it is necessary to ensure the effective conduct of Council business. Once the Business Panel has approved the select committee work programme, the Select Committee will implement it.
- 4.3 It has been agreed that each Select Committee will meet five times a year, and no longer conduct in-depth reviews, to allow capacity for task and finish groups to be established, which will carry out in-depth investigations into topical issues. However, normal scrutiny processes were suspended between the end of March 2020 and the start of September 2020 to allow the Council to focus on the emergency response to the Covid 19 pandemic. Therefore each Select Committee will only meet 4 times this municipal year. The establishment of Task and Finish Groups is currently being discussed.

## 5. The review of the approach to scrutiny

- 5.1. As a result of the findings of the Local Democracy Review, the Local Democracy Working Group, on 18 December 2019, recommended some changes to the existing practice and approach to scrutiny. The changes were as follows:

- Each Select Committee will meet five times per year.
- Each Select Committee will have six members apart from the Children and Young People Select Committee which will have eight members plus five statutory parent governor and diocesan representatives.
- Each Select Committee will look at no more than three (ideally two) substantive items per meeting.
- Select Committees will specify what information they would like to see in officer reports to ensure they meet expectations.
- The Select Committees will not conduct ongoing in-depth reviews but will look at items in an in-depth way. (Methods of conducting in-depth scrutiny might include, but will not be limited to: inviting expert witnesses / representatives of user groups to attend meetings to provide evidence; arranging site visits to collect evidence; carrying out engagement activity to inform discussion at meetings).
- Each Select Committee will aim to conclude its business within two hours. (If, in exceptional circumstances, standing orders are suspended to allow the meeting to continue beyond two and a half hours to allow urgent business to be concluded, the meeting should continue for no longer than a further 30 minutes<sup>1</sup>.)
- If they are required, the Select Committees will receive information reports (reports to note) outside of the formal meeting cycle. The report will be emailed to

---

<sup>1</sup> This is because meetings over three hours, late in the evening, are not effective because it is difficult for everyone to maintain concentration and make valuable contributions.

Committee Members with any questions put to the report author for a written response, via the Scrutiny Manager.

- Task and Finish Groups will be established to look into topical issues of concern and conduct in-depth scrutiny over a set period of time.

## **6. Select Committee Work Programme Setting 2020-21**

6.1. In developing their work programmes for 2020-21, the Select Committees have considered:

- regular items, e.g. annual budget scrutiny
- topics recommended for scrutiny by select committees at the end of the 2019-20 municipal year
- topics recommended for scrutiny by senior officers based on recent and future developments
- suggestions from individual members
- decisions due to be made by Mayor and Cabinet
- issues suggested by members of the public.

6.2. In choosing topics to be added to their work programme, Members have taken account of the scrutiny prioritisation process (please see below), which supports members in identifying priorities and managing workloads and the guidelines for effective scrutiny (Appendix A).

6.3. The draft work programmes attached at Appendix B reflect the discussions held at the first round of select committee meetings and present a broad and varied programme of scrutiny over the next few months, focussed on key policy issues, for Business Panel to consider.

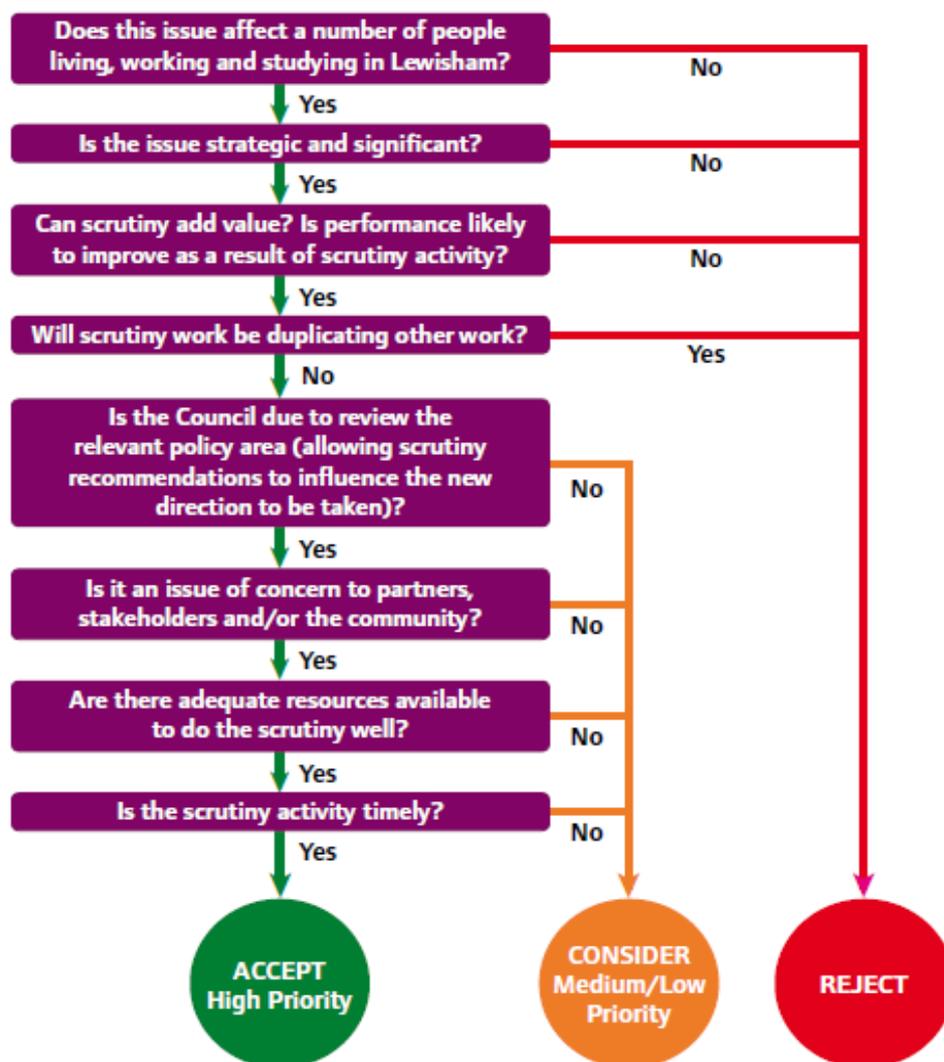

6.4. In order to increase public participation in scrutiny, the committees may ask members of the public to contribute to in-depth scrutiny work by submitting evidence via the council website: [Open Overview and Scrutiny Investigations](#).
