

NOTICE OF AMENDMENT TO MAYORAL SCHEME OF DELEGATION

I, DAMIEN EGAN, Mayor of Lewisham amend the Mayoral Scheme of Delegation by removing Item 13 and amending Item 14 of Table 2 of the Mayoral Scheme, as executive matters reserved to the Mayor and Cabinet. Item 14 should be amended to remove any reference to appointment of LA governors and should now simply refer to Local Authority appointments to outside bodies save where such appointments are reserved to Council in accordance with the law or Constitution.

Decisions in relation to the approval of schools' Instrument of Government and the appointment of local authority governors are no longer specifically reserved to myself and Cabinet collectively and will be delegated to the Executive Director Children and Young People.

This note is to be treated as notice to the proper officer and will come into effect once the proper officer gives notice of this amendment to all councillors.
