**Please state the ground(s) for review:** (please read guidance note 2)

The Metropolitan Police are seeking this review the Premises Licence on the grounds of The Prevention of Crime, and Disorder, The Prevention Of Public Nuisance and Public Safety.

After visiting the premises the Police have found serious failings and breaches to licensing conditions on Annex 2, which relate to multiple breaches and even after engaging with premises the Police are still finding consistent breaches. The Police have used the stepped approach in order to advise and educate the premises licence holder however this hasn't worked and the Police are still constantly finding Breaches and the licensing objectives are not being met.

The Police are requesting the review under Public Safety because on the last visit on 31st October the Government issued an instruction for premises to close due to control of Covid Pandemic. During visits the Police found that this was also being breached, as the venue was operating outside of Government curfew times and allowing customers to continue staying after premises should be closed. Failures like this have been instrumental in pushing London into a further lockdown.
