the directorship of CRPL is being made as well as furthering the objectives of CRPL as set out in its Articles of Association and recently agreed Annual Business Plan.

#### **4. Background and Narrative:**

- 4.1. CRPL is a wholly owned company of Lewisham Council. The company was originally created in January 2010 to purchase leasehold interests in and around the Catford Centre in order to manage and regenerate the properties to improve the economic, social and environmental wellbeing of the people of the London Borough of Lewisham.
- 4.2. The Company's Articles of Association appear at Appendix 1. The appointment of Directors is the responsibility of the London Borough of Lewisham as the sole shareholder.
- 4.3. The primary duty for the Directors when considering company business is to the Company, with a secondary duty being owed to the Council.
- 4.4. In essence, Directors owe a fiduciary duty to act in the best interest of the company. A Director's Mandate (attached as Appendix 2) is also given to each director including reference to their indemnity, setting out their duties as a Director. The Mandate includes a requirement to respect their position as Council appointee and not to act in contravention of a properly given Council instruction.
- 4.5. Many key decisions in relation to the Company are classified as reserved matters, and must be approved by the Council as sole shareholder. The complete list of shareholder reserved matters are listed in the Articles of Association at paragraph 25. These reserved matters ensure that the Council retains control over the direction of the Company and that the Company operates strictly within its approved business plan.
- 4.6. At its inception, two Directors were appointed, both of them Council officers. Initially one was a senior finance officer and one a senior regeneration officer. However, to avoid any perception of conflict of interest for the regeneration officer, it has become the Council's practice not to appoint a senior regeneration officer. In 2019, following an audit recommendation, a local Ward Councillor was appointed as director increasing the number of directors to three.
- 4.7. The most recent directorships were Ralph Wilkinson, Director of Public Services; Selwyn Thompson, Director of Financial Services and Cllr Eva Stamirowski, Councillor for Catford South.
- 4.8. The three directors, together, have been actively managing the affairs of the company over the past two years. In July 2021, one of the Directors - Ralph Wilkinson – retired from the Council's employ as Director of Public Services effectively and simultaneously resigning his post as Director of CRPL. More recently in October, Selwyn Thompson also resigned from the Council's employ as Director of Financial Services leaving Cllr Eva Stamirowski as a sole director of the company.
- 4.9. To ensure effective management and governance of the affairs of the company, it is proposed that David Austin – Director of Finance and Zahur Khan – Director of Public Realm are appointed to replace Ralph Wilkinson and Selwyn Thompson as directors of CRPL.
