This work was led by Councillor Penfold and Councillor Krupski and a number of recommendations were made. There was also an update on the implementation of the recommendations made at the last meeting, concerning the resident experience programme and it was agreed that councillors would continue to be involved in this area of work.
- 3.5 Three time limited task and finish groups (TFGs) have been established by the Overview and Scrutiny Committee to look at:
- Improving digital inclusion for Lewisham residents with a learning disability to improve quality of life

The Overview and Scrutiny Committee will consider the Mayor and Cabinet response to any recommendations made by the groups and consider whether any follow up work / progress updates on recommendation implementation are required.

4 Financial implications

- 4.1 Scrutiny work is managed within existing budgets. Formal recommendations to the Mayor arising out of any specific work items within select committee work programmes or considered by TFGs are evaluated in the usual way through the process of formal reports. There are no direct financial implications arising from this report.

5 Legal implications

- 5.1 There are no direct legal implications arising from this report.

6 Equalities implications

- 6.1 The [Equality Act 2010](#) (The Act) legally protects people from discrimination in the workplace and in wider society. It replaced the previous anti-discrimination laws with a single act, making the law easier to understand and strengthen protection in certain situations. It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 6.2 The Act also imposes a public sector equality duty. This means that in public bodies, of which this Council is designated, they must consider all individuals in carrying out their day-to-day work when shaping policy, in delivering services and in relation to their own employees. It also requires public bodies to:
- Have due regard to the need to eliminate discrimination
 - Advance equality of opportunity
 - Foster good relations between different people when carrying out their activities

- 6.3 The Council recognises diversity is one of its strengths and is committed to creating a more inclusive community. Therefore, having due regard to the Act, is confirmation of the Council’s commitment to eliminating all forms of discrimination against any group within the community and to actively promote an equality of opportunity and positive community partnership.
- 6.4 The delivery of the Council’s equalities objectives is to be achieved through the delivery of all of the Council’s strategies, plans and procedures. As such, all select committees and other scrutiny bodies, when planning their work and scrutinising items, bear in mind the delivery of the Council’s equality objectives.
- 6.5 Scrutiny tries to make sure that its work reflects the diversity of Lewisham’s communities and that the views of residents are fairly represented in scrutiny processes. Any recommendations arising from scrutiny work support the Council’s corporate strategy and reflect the needs of local residents.

7 Climate change and environmental implications

- 7.1 There are no direct climate change or environmental implications arising from this report.

8 Crime and disorder implications

- 8.1 There are no direct crime and disorder implications arising from this report.

9 Health and wellbeing implications

- 9.1 There are no direct health and wellbeing implications arising from this report.
