C-35	Specialist social care support review	This proposal would see us review the arrangements for specialist social care support in the Youth Offending Service, Family Thrive and Schools to ensure that these are optimised and that where possible these costs are correctly attributed to Health partners. This is part of a wider approach to developing a more integrated adolescent offer and is not a reduction in the service offer.	177	0	0	177	N	N	N	SSCSC / CYP
