Timeline of decision-making

Work Programme 2021-22 – draft agreed on 7 July 2021

Work Programme 2021-22 – agreed by Business Panel 20 July 2021

1. Summary

- 1.1. The Committee proposed a draft work programme at the beginning of the municipal year. This was considered alongside the draft work programmes of the other select committees and agreed by Business Panel on 20 July 2021.
- 1.2. The work programme should be reviewed at each meeting to take account of changing priorities.

2. Recommendations

2.1. The Committee is asked to:

- To review the work programme attached at **appendix B**.
- Note the four strategic themes of the borough's recovery plan: 'Future Lewisham'
- Consider the items for the next meeting and specify what evidence is required, including being clear about the information the committee wishes to be included in officer reports.
- To review the forward plan of key decisions at **appendix E** to consider whether there are any items for further scrutiny.
- Consider appointing a member to act as 'climate change champion'.

3. Work programming

3.1. When reviewing the work programme the Committee should consider the following:

3.2. The Committee's terms of reference (Appendix A).

3.3. Whether any urgent issues have arisen that require scrutiny. If so, consider to the prioritisation process (Appendix C) and the Effective Scrutiny Guidelines (Appendix D)

3.4. Whether a committee meeting is the most effective forum for scrutinising the issue. For example, would a briefing be more appropriate?

3.5. Whether there is time to consider the item - could any work programme items be removed or rescheduled?

3.6. Whether the item links to the priorities set out in the [Corporate Strategy for 2018-2022](#):

- [Open Lewisham](#) - Lewisham is a welcoming place of safety for all, where we celebrate the diversity that strengthens us.
- [Tackling the housing crisis](#) - Everyone has a decent home that is secure and affordable.
- [Giving children and young people the best start in life](#) - Every child has access to an outstanding and inspiring education, and is given the support they need to keep them safe, well and able to achieve their full potential.
- [Building an inclusive local economy](#) - Everyone can access high-quality job opportunities, with decent pay and security in our thriving and inclusive local economy.
- [Delivering and defending: health, social care and support](#) - Ensuring everyone receives the health, mental health, social care and support services they need.
- [Making Lewisham greener](#) - Everyone enjoys our green spaces, and benefits from a healthy environment as we work to protect and improve our local environment.
- [Building safer communities](#) - Every resident feels safe and secure living here as we work together towards a borough free from the fear of crime.

3.7. The Committee should also note and take into account the four strategic themes of the borough's Covid-19 recovery plan, 'Future Lewisham', which support what we want for every single resident and that we know are what we need to focus on locally:

3.8. **An economically sound future**

We are working to get the borough back in business, with a future where everyone has the jobs and skills they need to get the best that London has to offer.

We are a borough with businesses that are adaptable and prepared for change, a thriving local economy that sees 'local' as the first and best choice, with digital inclusion at the heart of our plans. We do all we can to support residents into jobs that pay fairly and provide families with the opportunities and security they deserve.

3.9. **A healthy and well future**

Good health and wellbeing should be something we can all depend on, something that is equally accessible to everyone.

We know this is much wider than 'medicine' and the NHS. Our health and well-being is also dependent on our housing, the air we breathe, our support networks and more. We will make sure to pay as much attention and invest as much effort into improving these wider factors and taking action on inequality at every turn. Rectifying health inequalities and developing good mental health & wellbeing for everyone drives what we do.

3.10. **A greener future**

Our next steps will be our greenest yet, continuing our efforts to preserve our climate for future generations and ensuring everyone can enjoy the place we call home.

We will capture and build on the best of what we saw from the increase in walking and cycling locally, and all the other ways our environment benefitted from behaviour changes over the last year. We will nurture and protect the place we call home so that we can continue to appreciate its benefits for generations to come.

3.11. **A future we all have a part in**

We work together as one borough, within our communities and identities, to harness the power of volunteering and community spirit that has helped get us through the last year.

We will work alongside our strongest asset – our community – to strengthen and enhance our borough for everyone. We achieve more together and being connected and taking an active role in our borough benefits us all. Our year as Borough of Culture 2022 will be Lewisham's best year yet, celebrating our fantastic part of London and providing opportunities for everyone to connect and get involved in our local community.

3.12. At the Overview and Scrutiny Committee meeting held on 30 November 2021, it was recommended that each select committee should appoint a climate change champion to ensure that (a) the annual work programme takes climate change matters into account; and (b) officers are given appropriate steers in relation to the reports for specific items, to ensure they include relevant climate change considerations. The Committee is asked to consider appointing one of its members to take on this important role.

3.13. The Committee is recommended to schedule **two substantive items per meeting**, leaving space available for Mayor and Cabinet responses and other urgent business as the need arises throughout the year.

3.14. Provision is made for meetings to last for up to 2.5 hours, but the committee should aim to **manage its business within 2 hours**. In exceptional cases the committee may decide to suspend standing orders and extend the meeting for a further 30 minutes to conclude any urgent business.

4. The next meeting

- 4.1. The following items are scheduled for the next meeting. The Committee should clearly define the information and analysis it wishes to see in the officer reports.

Agenda Item	Review type
Audit Panel update	Standard item

5. Financial implications

- 5.1. There are no direct financial implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme will have financial implications and these will need to be considered as part of the reports on those items.

6. Legal implications

- 6.1. In accordance with the Council's Constitution, all scrutiny select committees must devise and submit a work programme to the Business Panel at the start of each municipal year.

7. Equalities implications

- 7.1. The [Equality Act 2010](#) (The Act) legally protects people from discrimination in the workplace and in wider society. It replaced the previous anti-discrimination laws with a single act, making the law easier to understand and strengthen protection in certain situations. It covers the following nine protected characteristics: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 7.2. The Act also imposes a public sector equality duty. This means that in public bodies, of which this Council is designated, they must consider all individuals in carrying out their day-to-day work when shaping policy, in delivering services and in relation to their own employees. It also requires public bodies to:
- Have due regard to the need to eliminate discrimination
 - Advance equality of opportunity
 - Foster good relations between different people when carrying out their activities
- 7.3. The Council recognises diversity is one of its strengths and is committed to creating a more inclusive community. Therefore, having due regard to the Act, is confirmation of the Council's commitment to eliminating all forms of discrimination against any group within the community and to actively promote an equality of opportunity and positive community partnership.
- 7.4. The delivery of the Council's equalities objectives is to be achieved through the delivery of all of the Council's strategies, plans and procedures. As such, all select committees and other scrutiny bodies, when planning their work and scrutinising items, bear in mind the delivery of the Council's equality objectives.
- 7.5. Scrutiny tries to make sure that its work reflects the diversity of Lewisham's communities and that the views of residents are fairly represented in scrutiny processes. Any recommendations arising from scrutiny work support the Council's

corporate strategy and reflect the needs of local residents

8. Climate change and environmental implications

- 8.1. There are no direct climate change or environmental implications arising from the implementation of the recommendation in this report. However, in February 2019 Lewisham Council declared a Climate Emergency and proposed a target to make the borough carbon neutral by 2030. Items on the work programme may have climate change and environmental implications and reports considered by the Committee should acknowledge this.

9. Crime and disorder implications

- 9.1. There are no direct crime and disorder implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme may have crime and disorder implications and these will need to be considered as part of the reports on those items.

10. Health and wellbeing implications

- 10.1. There are no direct health and wellbeing implications arising from the implementation of the recommendations in this report. Items on the Committee's work programme may have health and wellbeing implications and these will need to be considered as part of the reports on those items.

Effective Scrutiny Guidelines

At Lewisham we:

1. Prioritise

It is more effective to look at a small number of key issues in an in-depth way, than skim the surface of everything falling within scrutiny's remit. We try to focus on issues of concern to the community and/or matters that are linked to our corporate priorities. We only add items to the work programme if we are certain our consideration of the matter will make a real and tangible difference.

2. Are independent

Scrutiny is led by Scrutiny Members. Scrutiny Members are in charge of the work programme and, for every item, we specify what evidence we require and what information we would like to see in any officer reports that are prepared. We are not whipped by our political party or unduly influenced by the Cabinet or senior officers.

3. Work collectively

If we collectively agree in advance what we want to achieve in relation to each item under consideration, including what the key lines of enquiry should be, we can work as a team to question witnesses and ensure that all the required evidence is gathered. Scrutiny is impartial and the scrutiny process should be free from political point scoring and not used to further party political objectives.

4. Engage

Involving residents helps scrutiny access a wider range of ideas and knowledge, listen to a broader range of voices and better understand the opinions of residents and service users. Engagement helps ensure that recommendations result in residents' wants and needs being more effectively met.

5. Make SMART evidence-based recommendations

We make recommendations that are based on solid, triangulated evidence – where a variety of sources of evidence point to a change in practice that will positively alter outcomes. We recognise that recommendations are more powerful if they are:

- Specific (simple, sensible, significant).
- Measurable (meaningful, motivating).
- Achievable (agreed, attainable).
- Relevant (reasonable, realistic and resourced, results-based).
- Time bound (time-based, time limited, time/cost limited, timely, time-sensitive).
