Ilderton Wharf is an old waste management site that is currently not in use located in an industrial area just to the south of the local football ground.

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below (see also guidance on completing the form, note 3)

Tens Space 2 as shown in the site plan "Ilderton Wharf floor plan and tens spaces"

**Continued from previous page...**

Describe the nature of the premises below ([see also guidance on completing the form, note 4](#))

Licensable activities will take place in tens space 2 with music in the top left corner, this area will be sound insulated from the nearest residential areas to south and to the west with shipping containers stacked double height. The other areas of site will be used to provide chill out area, cloakroom, additional wc facilities etc.

I have applied for sale of alcohol to be both on and off the premises in order to allow guests to take drinks into the chill out area, all drinks served will be prevented from leaving the greater event site and no drinks (open or closed) will be permitted to leave the site to the public highway. We are happy to discuss off street queuing, dispersal plans and any other concerns you may have.

When the tens notice is approved we will ensure that all relevant compliance documentation is completed prior to the first event, e.g. fire risk assessment, emergency evacuation plan, security site instructions, site specific staff training, COVID19 risk assessment etc, again we are happy to discuss this with you further.

Describe the nature of the event below ([see also guidance on completing the form, note 5](#))

This tens application represents a test event for a series of planned weekends of events with dates to be confirmed after the successful running of the test event. I am the Director the successful Tottenham events venues "Costa del Tottenham" & "The Cause"

I am hoping to work with the local borough and responsible authorities to create a medium term project to provide spaces for local artists and small businesses alongside indoor and outdoor flexible event spaces which can be used for filming , rehearsals, community events etc midweek.

Our time as a late night music venue has come to an end on our current site at Ashley Road and we are hoping to relocate to another large multi room venue by the middle of next year. In the interim I intend to use the Ilderton Wharf Site as a short/med term pop up allowing us to continue to employ our hard working & experienced Operations and Security teams whilst the correct planning & licences are gained and refurbishment of the next venue takes place.

I am a highly experienced venue operator having produced over 300 events with over 100,000 attendees since April 2018 at "The Cause" alone. I would be operating the Ilderton Wharf space using my current well trained events operations team and our S.I.A. registered and approved security provider Twinings. Our approach to upholding the four licensing objectives is to work closely with all of the responsible authorities and to take on board any and all concerns, address them and consistently improve procedures to rectify any issues, we would ask that you contact our local Police licensing team directly for their views, [REDACTED]

At present I do not know exactly which events will be booked in for the proposed operating times on this notice and can only reassure you that the events we book in will be the best in terms of crowd and general behaviour from our pool of hundreds of events that we have produced, we really need this project to work to keep our team in employment so we will be 100% committed to working with you to achieve this.
